RECREATION MEMBERSHIP CARDS

Recreation membership cards are now
being completed and it is hoped that we
shall have them all ready for distribution
at the beginning of next week. These
cards are being made out in each case, for
the person making the payment, if married,
the wife also receives one and so will all
children who are attending school, with
the exception of those attending Kinder-
garten. All other dependents such as
mothers-in-law, etc., are considered to be
part of the family group, and therefore
will also receive cards. If when the
cards are distributed, we have overlooked
anyone in this last category, please
advise Ossie Dalzell, who will see that
the cards are issued.

Please remember to keep these cards
handy at all times, if you don't carry
it with you, keep it in a safe place
where you can readily put your hands on it,
as you may be asked to produce it when
registering with any one of the various
active groups in town.
