The ladies curling team of Skip - Dot
 Shrier, Vice-Skip - Aggie Sinkins, Second-
 Betty Jessop, Lead - Marg Hamilton.

Won out over the Schreiber ladies team.
 To rep. this district in the Ladies North
 Western Play-downs to be held at Fort William
 on March 15th and 16th.

This is the first year the lady curlers
 have had such an event "so come on you gals"
 bring that cup back to Terrace Bay so we
 can display it in our brand new Rec. Center
 Anyway loads of luck.

ATTENTION FIGURE SKATERS

March arrived like a Lion, thus one
 more week-end of ice is almost assured. How-
 ever, due to the ice conditions which have
 prevailed during the past couple of weeks,
 it has been decided that next Sunday will be
the last session we will have for this
 season and all skaters are urged to be in
 attendance on Sunday, March 7th at the
 Schreiber Arena to wind up this year's act-
 ivities of the Figure Skating Club.

Plans for a small skating carnival have
 been dropped for this season as the condition
 of the ice is not too good, and another
 warm spell is almost certain to put an end
 to the ice. However, with the completion of

FIGURE SKATING (cont.)

the new Community Centre here in Terrace
 Bay, which is expected to be early in the
 Fall, an early start is assured for next
 season.

We are very happy to announce that
 arrangements have been made to have a
 photographer at the Schreiber Arena next
 Sunday to take pictures which will appear
 in the next issue of "Co-op Magazine".
 As mentioned before, all members of the
 Figure Skating Club are urged to be in
 attendance in their best "Bib and Tucker"
 with clean white skates and laces to have
 their pictures taken. If you have a
 short skating skirt or outfit, by all
 means wear it, but if not, come dressed
 in slacks and a nice sweater. Please
do not come bare legged. Spring may be
 around the corner, but we don't want you
 to miss the forthcoming warm weather laid
 up in bed with a bad cold.

We have been advised that the next
 issue of "Co-op" will be featuring Figure
 Skating in Terrace Bay, so be in atten-
 dance to have your smiling face appear
 in this widely circulated magazine.

At this writing it is expected that
 skating will be from 10:00 a.m. to 3:00
 p.m. on Sunday, and transportation will
 be available at the Public School at 9:30
 and 10:30 a.m.

For the information of those who
 were not in attendance last Sunday, a
 short exhibition of Figure Skating was
 performed by Mrs. Spiess, our Club
 Professional. Another exhibition is
 planned for this coming Sunday, so be in
 attendance and I am sure she will be
 happy to demonstrate any spins or jumps
 requested.

Plans are also underway to have
 these pictures or picture appear in the
 Lakehead Newspapers.

SO DON'T FORGET - LET'S HAVE A FULL
 TURN OUT OF ALL SKATERS AND PLEASE HAVE
 YOU SKATES AND LACES CLEAN.
