

PEEWEE HOCKEY NEWS (cont.)

Garry Grandlemire picked up a loose puck and drilled(?) it toward the Canadien goalie, who waited confidently to make his forty-second save of the game. But this was not to be. At the last possible moment, the puck took a crazy jump and eluded the frantic netman. Better luck next time, boys. Remember, there can be only one winner in any game.

On Monday evening the Black Hawks, fresh from their mighty victory over the favoured Canadiens, tackled the almost unbeatable Leafs. Before the crowd was comfortably seated, the Hawks had pushed in two fast goals. However, the mighty Leafs were bound to get started. They did get started, but unfortunately, it was a little too late. Those pesky Hawks hung on grimly, and the game ended in a 2-1 victory for the giant killers.

These same two teams go at each other again on Wednesday in the second game of a best-in-three series. Don't count those Leafs out yet.

PALEFACES GO DOWN IN DEFEAT

Last Thursday night the Junior Tradesman team turned the tables on the mighty Palefaces with a score of 4-2.

Great spirit and determination was displayed by both teams with each doing his utmost to score goals. Tension mounted to a high pitch as a scuffle broke out in a corner with the Jr. Tradesmen getting a penalty. Soon the same team received another penalty but the Palefaces failed to score. In the dying minutes of the game great drives by the Palefaces failed to increase their score.

HOUSE LEAGUE HOCKEY (cont.)

With the start of the first period it was a ding dong battle all the way with #2 shift getting the first ding with the capable assistance of "Pills" Waghorn when he flipped the rubber past Art Parent.

With a slight edge over Services at the start of the second period which didn't last for long for "Snowplow" Legault put a stop to it when he drove one in past "Hawkeye" Falzetta to even up the score. With both teams playing heads up hockey, "Snowplow" once again got hold of the rubber and deposited it in the twine behind Falzetta.

In the third period services came out after the 5 minute rest which they needed to catch their second wind due to shortage of players. With their second wind they started right out to score again when the "Snowplow" picked up the puck on his side of the red line and carried in on "Hawkeye" to beat him to it and get his hat trick for this game. #2 Shift came right back to try and get on the top of the score with De-johne driving one in past Art Parent, but services not to be outdone with "Sparkplug" Cavanaugh flipped one in the gap between Falzetta and the top of the net.

Score at the end of the game 4-2 in favour of Services.

Semi-final game played last night between #4 shift and services was a sudden death game with the loser getting no second chance. Services did all the scoring in the first period with all three lines getting a goal. The first with "Boom Boom" LeBlanc 2nd "Speedball" Mikus, 3rd "Sparkplug" Cavanaugh, #4 Shift was trying all the time but due to the splendid net minding of "Gluefingers" Parent they just couldn't put on in past him.

The second period saw both teams come out with #4 Shift wanting to get the red light flashing but they just had to split the goals in this one with J. Stewart getting one for #4 shift, and "Slippery" McBride getting one for Services.
