HOUSE LEAGUE HOCKEY (cont.)

In the 3rd period #4 Shift really put on the heat and the game betting a little rougher. "Doc" Campbell started #4 Shift rolling by driving in past old "Glueie" which had him beat all the way. McBride then turned around and got himself another goal to make it a little harder for #4 Shift. With the first line on again for #4 Shift "Doc" Campbell once again made the red light go on again. The heat was on the Services now with #4 Shift down at Services end then "Trickey" Sernesky coming from behind the net with some clever stick handling and flipped it in past Art Parent. Things looked bad for Services but then "Snowplow" Legault put it into high gear took it down with some nice passes and flipped it past Robbie Rovine. This ended the scoring for the game with #4 Shift on the short end of a 6-4 score.
