

MIXED BOWLING

The Beavers picked up 19 points this week to give them a nice lead at the half way mark of the second series. B. Haughn was the hot one for the Beavers rolling scores of 238, 246 & 198 for hi triple of 682. In their second game they rolled a 1063 scratch for team hi single and rolled a 2893 for hi scratch triple. Although the Sleepers picked up 10 points, which seemed a popular number, there was no one player who was outstanding. Everyone was in there pitching. Dot Dalzell led the Pin Dusters with hi single of the week of 262 and a triple score of 602. C. Smith's 243 in the second game helped the Phillipotts to pick up 10 points for the evening. The Slowpokes came through with some steady bowling this week and picked up 14 points this week. If they keep this up they will be making the leaders a bit uncomfortable. L. Swirhun put together scores of 206, 239, and 210 for hi triple of 655 and help the Rockets pick up their 10 points to keep them in the running. Cut Ups had to roll alone this week as the Gin Pills were unable to get any of their men to come out. However they were able to pick up 13 points to put themselves in 4th place. Some of the better scores of the week are O. Harrison 201, B. Fawcett 211, M. Hayes 206, A. MacMillan 241, 208, C. Buck 203, 230 (632), J. Todd 223, A. Checkryn 206.
