

FIGURE SKATERS WIND UP SEASON

The last session of the Figure Skating Club of Terrace Bay was held at the Schreiber Arena last Sunday with approximately 70 skaters in attendance. Fine weather found the pupils dressed in their skating skirts and outfits, twirling about the ice like miniature "Barbara Anns".

This session completed one of the most successful seasons experienced to date, and it is felt that with the opening of the new Community Centre here in Terrace Bay in the Fall, a great many more of the younger set will take advantage of the facilities which will be available, and that we can expect bigger and better things for the future.

Special thanks are extended to Fred Soughton and John Wade for their attendance at the above session to snap pictures for the coming issue of "Co-op" magazine. As mentioned in last week's "News", it is expected that the next issue of "Co-op" will feature Figure Skating in Terrace Bay, and many fine pictures will accompany the article.

Many hours of planning and work have gone into the job of organizing and operating this Club and without the help of numerous townspeople, who so unselfishly donated their time and cars, this job could not have been accomplished. So to those of you who so kindly offered the use of your car, we of the executive, say "Thank You"!

A special vote of thanks to Art Reynolds who was in charge of the transportation problem, for his co-operation and untiring efforts in this regard. Thanks also are extended to Dot Dalzell, our Secretary-Treasurer, for her work in handling the membership dues and financial matters of the Club, to Mrs. Dorsa Caldwell of Schreiber, for the arrangements made with the Schreiber Rink Board and the organization of the skaters in Schreiber and also to the other members of the executive, Mrs. J. Cumming, Mrs. D. C. Porter, Dr. M. McCausland and Harry Coe.

Professional instruction was capably handled this season by Mrs. Marlyn Spiess of Port Arthur. Marlyn was found to be very obliging and popular among the skaters and we sincerely hope that arrangements can be made to hire her services again for the future.

In closing, I would also like to take this opportunity to thank all the parents for their support and the members of the club for their attendance at the skating

sessions, for without this large membership, it would have been impossible to hire the services of a professional for the past season.

I hope to see you all again next year when we can continue to further the Art of Figure Skating in Terrace Bay.

Chairman of the Executive
Terrace Bay Figure Skating Club

PEEWEE HOCKEY NEWS

On Wednesday, March 3rd. the Maple Leafs and Black Hawks took each other on for the second time of the finals. Just to show that Monday night's victory was not a fluke, those never-say-die Black Hawks turned on the pressure from the opening whistle. Norman Vezina put them one up shortly after the game got under way, and despite a great deal of strategy on the part of the Leafs, the Hawks hung on to the bitter end. During the final period, when the Leafs were putting on a terrific power play, Ed Linkwich grabbed a loose puck in front of the Leaf cage and fired an insurance marker for the Hawks.

It is hard to pick individual stars from this game, but it seems fitting to mention one or two. Doug McKay played an outstanding game in the Hawk net. Norman Vezina skated miles, while Ronnie Schock and Murray Pletzer played their hearts out trying for the equalizer.
