SKATING RINK CLOSES

Now that the days of the strong sunshine are with us it is getting more and more difficult to keep ice at the skating rink. The Pee Wees have completed their hockey Schedule and Play offs, the Bantams and Midgets will be playing their remaining games in indoor rinks, the Figure Skaters have completed their season, the Annual Kiwanis

(cont. on next col.)

SKATING RINK CLOSES (cont.)

Carnival was held last Saturday and all pleasure skaters have had ample opportunity to get in a fair share of just plain skating. So, officially, the rink has closed for the season. From now on there will be no attendant on duty, nor will the change house be unlocked. Any one wishing to do so, may use the ice (if any) at their own risk.

For an outdoor rink, we have had a fairly successful season. Next year, things will be different!!

NOTE OF THANKS

Before leaving Terrace Bay, I would like to thank very sincerely those who have been so kind to me during my short stay here, and for the many good wishes and gifts I have received on my forthcoming marriage. Especially would I like to thank Peggy Wellings and Marg Lundberg for the delightful bridge party and shower they arranged for me last Friday, and to my fellow residents at the hotel for the most enjoyable party which followed at the home of Doris and Cy Marcella. Terrace Bay will indeed hold many happy memories for me of my first six months in Canada.

Sally Dale.
