Consolation roll-off will be on April 16th with the remaining four teams participating. This will also be a four game plus handicap series.

In case of a tie for either first place or second place in the present series there will be a three game roll-off as soon as possible, preferably on April 8th in order to determine the winner or runner up.

A.B.C (American Bowling Congress) rules will govern the play offs.

There will be no 1/2 points awarded for the remainder of this series. All tie games will be rolled off in an extra frame plus 10% of handicap.

MIXED LEAGUE

The way these Rockets are rolling it will be a case of the other teams catching hold of the tail so as not to be left behind. Picking up 11 1/2 points this week put them 6 1/2 points ahead of the Beavers who were tied with them last week for first place. The Beavers were able to only pick up 5 points this week. Better get those teeth sharpened up and get a chewing on the maples. Cut Ups moved up one on the Phillipotts who were idle Tuesday. Sleepers picked up 12 1/2 points this week to still hold down the fifth position 2 points ahead of the Gutter Pups who were idle Tuesday. The Gin Pills picking up 12 points were able to keep ahead of the Pin Dusters who were able to pick up 6 points this week even though O. Harrison rolled the high single of the night with a nice 284 and put with that a 168 and 218 for hi triple of 670. Although the Slowpokes came out with 12 points this week they were unable to get out of the cellar position. With 3 weeks to go anything can happen with the standings, as you will notice by the league standings. J. Todd was the hot one for hi single this week with a 268 and C. Buck put together scores of 183, 262 and 230 for the high triple of 675. This week we are giving all the people who rolled the big scores like M. Hayes 93, E. Wozney 79, R. Corrigan 81 and T. Smith 97 (better take your slide rule along next week).

PEGGY WELLINGS' RINK WIN 3 STRAIGHT IN LAKEHEAD 'SPIEL

The Ladies Terrace Bay rink in the Lakehead Bonspiel were sailing along in the main event and won their first three games. They were knocked out in the "fours" by a P.A. rink. But the ladies made Terrace Bay curling abilities well known in the Lakehead. After their third successive win they were the only "outside" rink in the Bonspiel. Congratulations Ladies: Peggy Wellings, Aggie Sinkins, Ida Romaniuk, and Marg Hamilton.

Congratulations too, to Monty Pagot and his rink for winning the Club mixed event. This was the first "skipping" job Monty has done in regular competition and his rink upset the "experts" as on paper at least there were some "power-houses" to contend with.

So that is curling for another year.
