

TERRACE BAY — NEWS —

Volume 4, No. 13

LARGEST CIRCULATION IN TERRACE BAY

April 1st, 1954.

COPPER, ZINC, FOUND IN TERRACE BAY!

Yes, someone has struck it rich!!!

Millionaire is made in Terrace Bay!!

Ever since the big strike in the Manitowadge area by two Geraldton men early this year the prospectors or would be prospectors have been going out in droves.

Finally one of them hit it rich in the area south of the highway!! We are told that the assayer's report from the Ontario Department of Mines shows a very high percentage of zinc and copper in the area and some of the big mining companies are dickering with this Terrace Bay resident for an option on the property for a very substantial sum of money.

Generally speaking, all Crown lands, that is land not alienated or granted by the Crown for homestead, summer resort or other purposes are open for staking.

Most privately owned lands are not open, although there are some cases where surface rights only have been granted and the mineral rights may be open

But a word of warning before you people buy a pick and haversack to go prospecting. Remember this issue of the News is dated - April 1st. April Fool!!!

Anyway we can dream can't we. See page 8 for some of the regulations regarding prospecting.

DON'T TRUST TO LUCK --- TRUST TO SAFETY

EASTER EGG SALE

The Guides and Brownies have formed a very active organization in our Community, and Mothers and Fathers are very happy to have such groups as Guides, Brownies, Scouts and Cubs in Terrace Bay. It certainly helps children become better citizens.

From the financial point of view the Guides and Brownies are putting every effort in to the task of gaining independence and are planning a Giant Easter Sale of Home Made Candy, Easter Eggs, Baskets, etc., which is all being taken care of locally.

The Guides will be around the early part of next week to each house in the community to ask for donations of home made candy or money gifts. The Eggs will be made by the Ladies of the Local Association assisted by the Guides.

On Saturday, April 10th the Sale will take place in the former Meat Market. Come down early in order to see the display these children are putting on.
