STRICTLY FOR THE BIRDS

The kids in town may like the snow we have; the adults may like shovelling snow in May; the curlers may be looking wistfully at their brooms. But the birds are slowly starving to death. All their natural feed is covered by the snow.

So let's help with those crusts of bread or any other food for them. Just toss it out the back door. And it's fun watching them. Remember it's strictly for the birds.

BOWLING NEWS

MEN'S FIVE PIN LEAGUE

There was no person more pleased than Bill Sitko on April 23rd when his team Townsite, captured the Interlake Services Trophy emblematic of the Men's 5 Pin Consolation Championship. After the third game there wasn't too much doubt as to the outcome. Townsite had a comfortable margin and had only to bowl reasonably well to ensure victory. Bucks rolled hi-scratch series but their low handicap wasn't enough to place them anywhere near first place. Though mostly up to average the Hotshots could only manage second spot. High scorers for Townsite were B. Louk 818 and L. Marsh 775. The only other 800 game was rolled by B. Day of the Allstars. Bill Rolled 896, a very impressive scratch score.

Following are the teams and their scores:

Team	1st	2nd	3rd	4th	Total
Townsite	1002	1083	991	935	4011
Hotshots	1006	1031	979	854	3870
Bucks	948	1037	848	959	3792
