May 20, 1954.

SOFTBALL SEASON OPEN MAY 23RD

To officially usher in the softball season at 1:30 o'clock Sunday afternoon May 23rd, Mill Manager Mr. D. C. Porter has been requested to pitch the first ball with Doctor Hugh Campbell at bat and Townsite Superintendent Mr. C. E. Paget in the catching role.

Immediately after this ceremony, the Softball schedule of 1954 will get underway with Townsite Maintenance headed by Manager "Ostracized" John Jeanneret and Coach Ed Cavanaugh meeting Salary with "Technical" Fred Soughton as Manager and Coach Joe Wig. This reporter warns heart sufferers to stick to their quiet Sunday journal reading since this game is expected to be packed with excitement garnished with a "Jeanneret vs. Soughton Special".

Sports followers are aware that softball is a diversion offering added entertainment to our summer sports. And as the most appealing sport - from a spectators viewpoint, the players will be "all out" to render their best efforts to make possible the saying "that sure was a great game!"

Further, no doubt it costs money to entertain. What with softballs, bats, gloves, etc.. Not on the free issue of any catalogue, the Terrace Bay Amateur Softball Association must make this equipment available to the players in order to present the popular summer sport of softball. In our endeavours to procure these materials, we must have the collateral.

At each game two members of the Association will be approaching spectators in the bleachers as well as those in vehicles. One will be accepting contributions while the other will be issuing draw tickets. For each ten cent (10¢) ticket you will

MEN'S CHORUS CONCERT MAY 21ST

This Friday, May 21st at 8:15 p.m. the Terrace Bay Men's Chorus will present their first Annual Concert. So folks, make a date to be there, Tickets are available from any chorus member or you can get them at the door. Just remember to be at the High School Auditorium on Friday at 8:15 p.m.

The Terrace Bay Men's Chorus was organized just about a year ago, when a group of men asked Miss Beulah McAdam if she would direct a group if one were organized. Upon receiving an enthusiastic consent from her, invitations were sent out to all men who it was thought might have an interest. About fifteen met, elected some officers, and set up committees to draw up a set of bylaws and select some suitable music. Ernie Rowson had some copies of "The Winter Song" which the group started to learn. The Recreation Committee granted a loan to the group, and they ordered additional music. After quite a search, Ray Husband agreed to serve as accompanist.

Shortly after this the officers of the Fort William Male Choir heard about the formation of the chorus here, and offered their help. They sent 25 copies each of a couple of songs to help fill the gap. Later they announced that they were to be hosts on June 5, 1954 to the member choruses of the Upper Midwest area of the Associated Male Choruses of America.. They invited the new Terrace Bay to participate in this "Big Sing", even though it is not a member chorus.

As a result, twenty men began rehearsing last October, with a double objective in mind. One is their own first annual concert in Terrace Bay on Friday night, May 21st, The second is the Big Sing in Fort William on June 5th. Both should be well worth hearing.
