HOME AND SCHOOL ASSOCIATION

The retiring President of the Home and School Association, Al Stevens, opened the Third Annual meeting Monday evening by calling on John Wade to read the Creed. Mrs. Evelyn Falzetta followed with the Minutes of the previous Annual meeting. It was the decision of the Association at that meeting to purchase a tape recorder for use in the three Terrace Bay schools. Mr. Stevens announced in the past season, this recorder had been purchased, paid for and was now in use in the schools. Jim Corrigan gave the financial report to date.

Charlie Sitch, chairman of the Nominating Committee composed of Mrs. Lois Hopper and Joe Marcella, read the list of nominations. Mr. Stevens thanked them for their fine job, and in also securing extra members to act as convenors during the next season.

Mrs. Hopper reported as Corresponding Secretary that all correspondence to date was completed, excepting arrangements still pending with the Local Fish and Game Association in regards to starting a Club to teach children the proper use of firearms. Also Mrs. Faulds offer of visiting Terrace Bay, had still not been taken up. Mrs. Jan Faust as Convenor of the recent Card Party gave her report of that event. Mr. Stevens then gave his retiring address, thanking all who had worked with him and welcoming in the new executive. He gave a special note of thanks to Tom Walters, past programme convenor, who had worked continually to give a great variety of entertainment at each of the year's meetings.

John Wade next introduced Mr. Richard Downey, exchange teacher from Nanaimo, British Columbia, who showed a selection of his slides on that very scenic Province, along with a few taken through the Red Wood forests and down to California, and concluding with his recent collection on Terrace Bay. Mrs. Charlie Briggs thanked Mr. Downey, and expressed her best wishes for a wonderful trip this summer when he sails for Europe. She also hoped he would return to Terrace Bay someday to show us pictures of this summer's vacation.
