Attendance Draw

With over four hundred tickets cast in the drum on opening day, Len Swirhun holding ticket #1-081 went home seven dollars richer.

At the second game, ticket holder of #1-068 was not in attendance and the prize of \$4.25 was carried forward to the third game.

Dick Downey, holder of ticket #3-160 was the lucky winner of the carry-over of \$4.25 and the evening's share of \$4.75 reaping nine dollars.

The Terrace Bay Amateur Softball Association is very grateful for the public's support to this drive for funds. Once again we repeat, do not destroy your stubs as all tickets not drawn are retained in the drum throughout the season. The winner must present the actual duplicate of the ticket drawn. A prefix number followed by a dash and a series of numbers indicates the game number of the 45-game schedule. Should the prize be rightfully claimed, this will be awarded on condition that the ticket holder of the number drawn holds a ticket bearing the prefix number to correspond with the game number currently being played.

ATTENTION BASEBALL (HARDBALL) ENTHUSIASTS

A considerable amount of enthusiasm is evident and it has been suggested that possibly we should organize a team to play exhibition games against teams in this district. In order to find out if we have sufficient players and other interested persons to accomplish this, a practice has been called for next Thursday (June 3rd) at 6:30 p.m. After the practice we can sit down in the Continuation School to have a short meeting to take stock of what player material we have on hand and see who we can find who would be willing to coach and manage the team.

So-o-o-o! Any of you people who wish to be associated with the team in a non-playing capacity, will be given a hearty welcome at this practice and meeting.

of the Association.

Clarence Buck we understand will provide the statistics.

Peter and Betty we hope will bring us the "score" on the games each week and Clarence less often with the vital statistics.

We know all the baseball players and fans will appreciate their efforts.
