LARGEST CIRCULATION IN TERRACE BAY

June 3, 1954.

TERRACE BAY FOURTH ANNUAL FISH DERBY JULY 1ST 1954.

Less than one month left until the 4th Annual Terrace Bay Fish Derby folks. Be sure and have all your fishing tackle oiled up and boats in good shape. The prize list will be out shortly and there is a very nice selection of prizes this year topping the list is a Johnson 5½ H.P. "Silent" outboard motor for the lucky man (or woman) with the biggest lake trout.

Be sure and get your tickets to the annual dance to be held in the High School Auditorium on June 30th. More about the dance in the next issue of the "News".

The Derby this year is going to be held at the mouth of the Aguasabon River. All entrys must register there and all boats must leave from there by water. Other Derby rules appear on the back of the registration ticket.

Don't forget, watch the next issue for more news on the Derby.

TENNIS COURT READY FOR PLAY

One of the courts is now ready for use and to date quite a few enthusiasts have been making use of it. In an attempt to get the ball rolling on this activity, it has been suggested that we get together at the courts, starting at 1:00 p.m. on Sunday, June 6th. Bring along your shoes, racquet, etc., and we can have a few friendly games then we can sit down and rest our weary muscles for a while and discuss plans for the operation of a Tennis Club this summer.

TENNIS COURT READY FOR PLAY (Cont.)

We have quite a few of the "younger fry" who are very interested in playing and it seems that our biggest need is to find a few adults who might be interested in running the few business affairs of the Club.

Let's put those real good courts through a lot of use this summer.

BASEBALL (HARDBALL) TONIGHT

Just a reminder to all of you lovers of baseball that there will be a practise tonight at 6:30, to be followed by a meeting to discuss the possibilities of forming a team. It has been suggested that we could form a team to play a series of exhibition games during the summer.
