## FISH AND GAME NEWS

The Canadian Forestry Association of Ontario is sponsoring an Ontario wide programme on Conservation and Forestry Wildlife and Forest Fire Prevention. A similar programme was well attended and really enjoyed when held here last year and this years programme should prove equally interesting.

There will be an afternoon programme Friday, June 18th, 1954 for the school children and in the evening at 8:30 p.m. in the Auditorium for the adults.

Both programmes are free and we will guarantee some worthwhile entertainment.

## CREDIT UNION NEWS

### LOCAL MAN DELEGATE AT MEETING REPRESENTING 312,000 IN ONTARIO.

Verne Hopper of Terrace Bay was a delegate to the Ontario Credit Union League Annual Convention in the Royal York Hotel, Toronto during May 20th, 21st and 22nd. This is the fourteenth annual meeting of the League delegates, who represent 312,000 people in Ontario, members of 946 savings and loan associations operating under charters from the Ontario government.

The Credit Union movement encourages regular savings and members borrow from their local group at low rates of interest for provident purposes. The League

## CREDIT UNION NEWS (Cont.)

member credit unions in Ontario have over \$75,000,000 in assets, and at present have some \$65,000,000 out on loan to members, League General Manager John Hallinan announced to the convention.

The League co-ordinates all activities of credit unions, helps in organizing new groups and conducts an educational campaign in credit unionism.

## GUIDES AND BROWNIES

Have you any odd pieces of material or scraps of wool that would make into doll clothes, or a doll in fair condition that you are thinking of discarding? The Guides and older Brownies would appreciate these articles and will pick them up if you contact Mrs. Marcella at Phone 426 or Mrs. Hopper at Phone 335.

These dolls will be dressed and repaired by the girls during the summer and given to a hospital or orphanage at Christmas. A workshop will be set up for use during the summer where the girls will receive the guidance of adults who have volunteered for this work.
