

SOFTBALL (Cont.)

Shift #2 scored in every inning but the 6th and ground out a very easy 14-4 win, their 8th in 9 games. T-M started out as if they meant to repeat Sunday's performance, scoring three runs in the first inning, but they rapidly cooled off while #2 collected twelve solid hits off two T-M pitchers. Ed Aho pitched a very nice game, giving up but three hits, walking 5 and striking out 4. The doors opened wide in the second inning when #2 scored 4 runs after 2 outs, due to an error on the right fielder on a fly ball which should have retired the side. From here on there was no stopping #2.

Don Anderson was the man with the big bat for #2, getting 3 for 4. For T-M it was Steve Keller who got 2 for 4.

WORK PARTY - RIVER MOUTH PARK

As most residents are aware, the local Kiwanis Club has been holding work parties at the mouth of the Aguasabon River in an effort to develop an attractive picnic area there. So far, progress has been good and in light of the various requests from non club members as to how and when could they help on this project, it has been decided to hold another work-party down there next Wednesday evening, July 14th. For those persons who are interested, please try to get there as soon as possible after 5:30 p.m.

We will have most of the tools necessary to do the work, but if you have a rake or an axe that isn't doing anything bring it along with you.
