

RECREATION ASSOCIATION NEWS (Cont.)

The Association requests that all groups and individuals who are collecting empty pop bottles for refund purposes, to take them to the refund depots as soon as is convenient. The Association recognizes and supports this good thrifty habit which no doubt helps to promote other activities. However, it is difficult to maintain an accurate inventory and have on hand a sufficient stock of empties to turn over to the vendor when we receive our supplies of refills. The vendor also has the same problem retaining stocks of empties at their warehouse. So-o-o-o-o! if you good people who are responsible for the returning ~~for refund~~ action will take them to Bill Scott at the Tool Crib or Frank Sechesky in the Pulp Office as soon as possible, this action will be greatly appreciated. Bill is available from 8 to 5 daily and Frank is available most of the time between 9 and 4 p.m. The other main reason for wanting these empties turned in more often, is that the Association does not carry heavy amounts of cash on hand at any one time and it would be a heavy drain on our funds if all of the empties were to be turned in at the same time.

As it gets quite cool at the swimming pool after swimming, all parents who are sending their children out there dressed only in their bathing suits are advised to give them a towel or a sweater, or better still, give them both, to take with them.

At the last monthly meeting of the Recreation Committee, it was decided that the monthly financial statements should be posted throughout the Mill and Townsite at various spots, so that all members of the Association can be kept posted on that very important side of the Recreation picture. Just as soon as the last statement has been mimeographed, it will be properly distributed.

AT THE MOVIES

July 16th-17th-Matinee
TAKE THE HIGH GROUND starring
Richard Widmark and Karl Malden.

July 18th-19th-20th
SHE COULDN'T SAY NO starring
Jean Simmons and Robert Mitchum.

July 21st-22nd
99 RIVER STREET (Adult) starring
John Payne and Evelyn Keyes.

There will be a matinee for the children at 2:00 p.m. on Wednesday during the summer holidays.

PLAYGROUND CHATTER

We wish to let the children and the parents know that the scheduled playground bus to the swimming pool is for all those children who are taking part in either the playground program or the swim program.

There will be a bus each afternoon except Wednesdays. The afternoon playground program will be transferred to the swimming pool for both age groups providing the weather remains as it has been. There will be one leader remaining at the playground to care for the smaller children who do not wish to go swimming or to play in the sand at the beach.

It is very important that the children do not go to the wading pool in the afternoons before coming to the playground.

We are in need of as many paper bags for the children's crafts as we can get, so if you can send a few along with your children it would be appreciated.

RECREATION ASSOCIATION NEWS

In last week's issue of the "News" we outlined a plan for collection of Tennis Fees through the Recreation Office. To date, very few of those persons who are playing tennis have made the effort to get over to the Office and bring themselves up to date in this respect. The cooperation of all tennis players is earnestly solicited.
