LIBRARY NEWSNot As A Stranger by Morton Thompson.

One of the few books deserving reviewers praise; the powerful story of a man who holds high in his heart the glory of the medical profession and of his struggles with himself and his fellow man to keep the flame alive. While this is a very lengthy novel, not once will the reader be bored, as the pace of absorbing drama never slackens.

Three Men Out by Rex Stout

Featuring Nero Wolfe and the incomparable Archie in three short length novels. Perhaps not as good as the longer Nero Wolfe stories but entertaining reading for his fans.
