Last Thursday July 22 Terrace Bay beat Marathon again in Marathon by a score of 13 - 4.

BASEBALL NEWS (cont.)

Paul Cavanaugh pitched lovely ball as he held Marathon hitless for 6 innings. The spell was broken when Marathon got 3 hits, in the seventh. Except for Cavanaugh's pitching there was nothing much spectacular about this game.

On Saturday July 24th Terrace beat Heron Bay 6 to 2. Cavanaugh pitched again with Schritt catching.

The outstanding plays were a lovely hit by Krahn which was labelled for a homer. The ball hit the trees and bounced back making it easy to field and Krahn was held to a 2 bagger.

Ferguson of Terrace Bay did the same. He got a beautiful hit that hit the rink boards and he was robbed by only getting two.

Next Games - Thursday July 29th.
6:15 p.m. Terrace Bay vs Heron Bay at Marathon.

Saturday, July 31 - 6:15 p.m. Terrace Bay vs. Marathon-at Terrace Bay.

Terrace Bay are on the top of the heap in this 3 team league with 7 Wins 1 tie - 1 loss.

There are 3 games left in the regular schedule.

Playoffs

The second and third team will play a sudden death game for the right to meet Terrace Bay in a 3 out of 5 final series for the league championship.

It is likely that the winners of the semi final sudden death play off will be allowed to pick 2 players from the defeated team. So the play off series should be good ball.

Exhibition Game

Fort William East Ends have indicated that they will come to Terrace for an exhibition game.

Watch the News for date and time.

LET'S PLAY GOLF

A very cordial invitation has been received from the Peninsular Golf Club at Marathon for Terrace Bay Golfers to participate in a Nassau Tournament on Saturday afternoon August 7th.

This is the kind of tournament that's good for every kind of golfer from "duffer" to Ben Hogan. It's simply a matter of playing golf with somebody else in your own class.
