PLAYGROUND CHATTER

Next Wednesday August 11th, the Kiddies' Field Day will be held at the Playground. The events will get underway at 1:30 p.m. As part of their regular program the children have been practising for some of the events but there are a couple of them that will need preparation at home. For Girls under 7, there will be a Decorated Doll Carriage contest; For Boys under 7, there will be a Decorated Wagon contest and for the older children up to and including 15, there will be a Decorated Bicycle contest. This whole Field Day is being designed to cater to all children under 16 years of age and it would be encouraging to have as many parents as possible on hand that day to lend some encouragement to the kiddies in their endeavours.

PARENTS PLEASE NOTE: on that day, Wednesday, August 11th the Swimming Pool will be closed all day, so please be sure to see that the children do not go out there on that day.

RECREATION OFFICE -- PHONE CALLS

For the next couple of weeks, Ossie Dalzell is out of town on his vacation, if you do not get an answer when you phone the Recreation Office, please call the Mill and ask for Local 264 or 265 and Gordon Rowlandson or Jim MacDonald will take the message and care for your needs. However, as this is an emergency service that will be in effect for only two weeks, we would ask that you treat it with respect and use it only if you really have to.
