THE GOLFERS CORNER

Last Saturday about twenty Terrace Bay golfers made the 110 mile return trip to Marathon to compete in a "Nassau Tournament" with Marathon golfers. Although we came out on the short end of the stick when all scores were tallied, everyone had a wonderful time. (In fact at least one carload of enthusiasts went back to Marathon on Sunday).

So successful was last Saturday's tournament that already a repeat performance has been arranged for Mid-September. This time Terrace Bay will look after the refreshments.

With activities of this sort developing, along with interest in doing something about a local golf course, formation of a Terrace Bay Golfers Club is planned. An organization meeting will be held next Tuesday, August 17th at 8:15 p.m. in the Hotel Terrace Dining Room.

Everyone who plays golf or wants to play golf should plan on attending this meeting. Interest exhibited will have a lot to do with how much can be accomplished. At the meeting an Executive will be elected.

Mimeographed invitations to the meeting are going out to everyone who is known to be interested but if you happen to be missed come along to the meeting anyway. It's open to everybody!
