

PLAYGROUND CHATTER

If attendance is a show of success our field day for the playground children was a big success. Yesterday afternoon there were 175 children who turned out to take part in the big affair. Naturally as in any field day there were some very happy faces as well as a few dissappointed ones to think that their boy friend or girl friend beat them in the different events that were all so close.

Our field day's success was also due to the greatly appreciated judges whom we wish to thank. They were: Tom Walter, Mrs. Ginn, Larry Zahara, Mrs. Hopper, George Turner, and Mrs. Fraser.
