

# TERRACE BAY — NEWS —

Volume 4, No. 33

LARGEST CIRCULATION IN TERRACE BAY August 19, 1954.

## BASEBALL FINALS SATURDAY AND SUNDAY AUG. 20TH AND 21ST

The Terrace Bay Baseball Club are currently in a best out of five series with Heron Bay for the North Shore League Baseball championship.

Last Saturday in Terrace Bay, Heron Bay won the first game 11 to 7.

This Saturday at 2:00 p.m. the series continues at Marathon and on Sunday moves back to Terrace Bay at 2:00 p.m. for the third game.

So the local team are one game behind. The loss last Saturday was partly due to several players being out of town and the fog that rolled in.

Saturday at Marathon the boys will be out for revenge. So baseball fans how about making the trip to Marathon and support your local team. If you are driving down make sure your car is full. The team can use your support.

Lionel Waghorn won the Terrace Bay Baseball Association's Weight guessing contest on the Rosspont Fish Derby.

### Games:

Saturday 2:00 p.m. at Marathon

Sunday 2:00 p.m. at Terrace Bay

Terrace Bay versus Heron Bay.

SUPPORT YOUR TEAM IN THE PLAYOFF SERIES.

## GOLFERS CLUB ORGANIZED

Terrace Bay now has a Golfers Club. It was organized last Tuesday at a well attended meeting in Hotel Terrace. Ultimate objective of course, is development of a local golf course. In the meantime, however, the Club will take responsibility for arranging tournaments and play on other golf courses, the closest of which is at Marathon fifty-six miles east.

At the Tuesday night meeting, a 5-member executive was elected.

- President - Fred Soughton
- Vice-President - Al Pattison
- Secretary-Treasurer - Marge Hayes
- Executive Members - Harold Marsh
- Bil Sadowick

Membership cards will be procured immediately and a nominal fee of \$1.00 will be charged. Everyone who is a golfer or would like to be will be invited to join the Club.

It was also decided that the Club would formally approach the Terrace Bay Recreation Committee with a request that next year's budget contain an amount sufficient to cover fees involved in having a golf course architect draft blueprints for a nine-hole course after determining the location.
