ALL STAR SOFTBALL BENEFIT GAME SUNDAY AT 1:00 P. M.

National and local campaigns for funds have in the past met with great results in this community. Once again, an appeal -- different in style, though same in nature is to take place starting at one o'clock this coming Sunday afternoon at the Ball Diamond. Different, in that you will be given something for your "dig deep" share; same, in that this is important towards the needs of our Minor Baseball League. This League comprised of our youngsters between the ages of 8 and 17 under their leaders who are donating their time to groom them into the Senior League of "to-morrow" undoubtedly they are dependent on monetary support. Let it not be said that we have failed them. When the collection is being made, don't only dig deep, but throw in that heaviest one, or better still the lightest one (\$). If you're not thirsty at the diamond buy some peanuts then follow this self-made thirst with some pop. The youngsters are there to serve you.

As a token of appreciation of your financial support, two teams made up of our best softball players, and this isn't boasting when we freely use "best" in that our boys have not lost one game in six played against outside competition both on our diamond and on Lakehead diamonds, will be fighting it out under Managers Dan "Silver-Haired" Gillis and Bill "Robust" Sadowick. Line-ups were made public in the August 5th issue of the News.
