The players representing Terrace Bay in the hard fought basket ball game were:

Don Megill	Bill Marsh
Larry Zahara	Jim Fraser
Paul Marcella	Doug Hogan
Richard Marcella	

The team came through with a closer win than the first game with a score of 75 to 65 this time. We have hopes of having Marathon down here this Thursday if they can arrange their transportation for another game in the Auditorium at 7:45 p.m.

The children's transportation was again supplied by our own men and women here in Terrace Bay. Without this kind of help through the year the children would do without a lot of fun. We really appreciate your help and your contribution to making our day a big success. Those people giving help in the transportation problem this time were:

Mr. and Mrs. Knight	Mr. B. Salesse
Mrs. Harvey	Ray Stachiw
Mr. and Mrs. Marquis	

Our inter town swim meet with Schreiber under the direction of Ken Chittick and Doug Sly turned out to be a real fine event. We were glad to see so many parents out to see their children in action. The children from both towns gave all they had in the different events and both instructors are proud of the children's efforts.

This is just a reminder to the children trying any Red Cross Swim Tests. Ken is giving lessons to all those trying every morning now to really put them in top shape for their tests at the end of the week or close in the start of next week.

PLAYGROUND CHATTER

This will be the last edition of Playground Chatter for another year. To many of the children it brought great fun attending all summer long to a program that was drawn up to their wants. The leaders of the grounds only hope that each and every child has learned a little something that may help them in their future lives in school and out of school. We hope that next summer we will be seeing you all back for the playground season.

We wish to extend our thanks to the volunteers that gave us a helping hand during the summer months. These were: Beatrice and Margaret Milks, Mrs. Hopper, and Mrs. Middaugh. We also want to wish our playground worker Janice Erickson the best of luck in her training at McKellar Hospital in the Lakehead.

The combination swim meet and basket ball game in Marathon last Saturday really was an enjoyable day for the children and for the adults who went down to see their children perform. The swim team took 23 children to represent the town of Terrace Bay and the basket ball team dress seven players.

The winners from Terrace Bay in the swim meet were:
 Rhea Leclair...2..13 yr. and under free style
 Helen Dennis...3
