SOFTBALL NEWS (Cont.)

Krahn came up to bat in a tense moment and with the count 1 and 2 Henry really laid the wood to the ball. The ball, sailing out to deep center field, looked like a sure four run homer but Paul Malashewski racing from right field, made a wonderful catch to retire the side. This broke the #4's back. Shift #3 scored one run in the seventh on one hit and one walk to win this thrill-packed game.

Mrs. Anne Papousek won the \$4.00 draw prize.

Last Friday night Shift #2 again defeated Shift #1, this time by an 18-8 score, to win their Semi-Finals and gain a spot in the Finals. The game had enough of everything - especially home runs and errors. The reason #2 won is that #2 hit the home runs (4) while #1 committed most of the errors (9). Shift #2 took an 8-1 lead in the 1st 2 innings, mainly on the "weakness" of #1's 6 errors in these two innings. Shift #1, playing good defensive ball, might have won this game, but with nine errors coupled with four home runs by the opposition, it's pretty hard to win anything. Moro, Bond, Sadowick, and Kurylo hit home runs and Kurylo hit 4 for 5. Shift #2 will now meet the winner of the Shift #3-Shift #4 Semis in the best of five Finals.

#1	0	1	2	0	2	3
