

GOLFERS CORNER (Cont.)

winter months, it might be possible to start work with heavy equipment next Spring.

Let's make no mistake about this fact however: nobody is going to hand us a golf course on a platter. It's going to take a lot of hard work and plenty of support. That support must start with a substantial membership roster. Thus the 200 member target. If you are a golfer or would like to be and want a local golf course, support the current membership drive. The membership drive committee, headed up by Vice-President Al Pattison, includes the other Executive Committee members: (Fred Soughton, Marge Hayes, Harold Marsh and Bill Sadowick). Also: Des Evans-Smith, Howard Solly, Joe Adamo, Doris Hansford Jim MacDonald and Jack Wellings. Anyone on the committee will be glad to sign you up.

Plans for the tournament at Marathon in September will be covered in next week's Terrace Bay News.
