## RECREATION FLYER

We wish to remind all children and parents that the supervision at the Hydro Dam beach will finish on Sept. 6th. The playground bus service to the beach has ended on August 31st.

The Recreation Office will move to the new Recreation Centre on Friday, Sept. 3rd. This does not mean the Centre will be open, and ready for use; but we must vacate the Continuation School Office to make way for the starting of the school year.

### ATTENTION MEN:

We wish to organize a combination night here in the Continuation School's gymnasium for basketball, volley ball, and gymnastics. This group will operate as long as we have sufficient interest. All those who are interested please contact the Recreation Office next week and leave your name and phone number. It is planned to use Thursday nights from 7:00 p.m. to 10:00 p.m.

PARENTS OF THE PLAYGROUND CHILDREN, we have collected all the lost clothing from both the beach and the playground. It is being held for you to get a chance to pick out anything that your boy or girl may have lost. All articles will be placed in the butcher shop adjoining the L & L food store on Saturday, September 4th from 9:00 a.m. until 12:00 noon.

### FINANCIAL STATEMENT

Copies of the Recreation Association financial statement, showing expenditures and receipts until July 31st., have been posted on the two Recreation notice boards in the Mill and on the board in the Townsite at the Shopping Centre. It is hoped that all members of the Association will make it their business to take a look at these statements. The next statement will be published approximately the first week in October.

## INVITATIONAL SOFTBALL TOURNAMENT (Cont.)

30.06 Rifle which will be drawn at the dance. However, if you find it impossible to attend this dance, you are welcomed to procure tickets on the Rifle. It is hoped that this dance will be well patronized since the proceeds of same is intended to cover the tournament prizes. Your support in buying these tickets will be an endorsation for bigger and better future annual invitational tournaments.

For some weeks, Frank Whitfield and his All Stars have been selling tickets on a \$57.00 Movie Camera. As explained in earlier editions of the news the proceeds is intended to procure complete uniforms for our ambassadors. Is it too much to ask for a quarter and at the same time stand a chance of winning the camera? The draw will take place at the final game of Monday at 4:30 p.m. Your support will be greatly appreciated.

In summarizing these "money making schemes", it should be pointed out that money is a necessity when calling in teams from other centres. We realize that you enjoy the national summer sport of softball. The local softball league has given you just that, but for variety, teams are called in so that you may have an opportunity to compare these against ours.
