THE GOLFERS CORNER

Four weeks to the day from the date it was organized, the 275 member Terrace Bay Golfers Club engaged an architect. He is expected to be here in about 10 days to select a site, draw plans and prepare estimates for a 9-hole golf course. That's one side of the story.

The Golfers Club now has a sizeable financial undertaking on its hands. The architect's fees will be \$3000. When preliminary plans are completed this fall \$2000. will have to be paid. To pay this bill money will be used from the membership fees, the Recreation Committee has approved a loan of \$300, and negotiations have been made whereby \$1500. may be borrowed by the Club by having 15 Club members act as guarantors, each for \$100. As of now we have eleven such people. Four more are needed. Anyone who would like to sign the note should contact a member of the Golfers Club.

Next move is to raise money to pay off the money on loan. The first project will be a dance on November 26th in the High School Auditorium. It is rumoured that the door prize will be a 5-Day Trip By Air to New York for 2 good anytime including hotel room and sightseeing trips, dinner and dancing at a famous nightclub, tickets to a Broadway Show, T.V. or Radio broadcast tickets and other features. The rumour will be spiked or confirmed in next week's News. Tickets for the dance will be \$1.00 each. Ticket sale will be limited.

A Golf Course fund is also being set up to receive donations to the project, all of which will be spent 100% on development of a golf course.

THE TOURNAMENT AT MARATHON is scheduled for Saturday, September 18th. Everyone going should be sure that Al Pattison has his or her name (Thursday evening if at all possible). The tournament proper will get underway at 1:00 p.m. for either 9 or 18 holes. Some are going down in the morning for games at 10:00 a.m. Any golfer good,
