NIGHT SCHOOL CLASSES

1. Basic English class will commence this coming Monday evening November 1st at 7:00 p.m. in the Continuation School.

2. It is still indefinite whether there will be a class in Mathematics. To date, only 12 men have registered for this class. If these 12 men are still definitely interested and report for the first evening class, the class will be held; if the registration falls below ten, this class will be dropped.
