

NOTICE TO ALL CREDIT UNION MEMBERS

Once again it is Annual Meeting time, to some of you it may seem a very short time since the last Annual Meeting and right you are as it is only nine months to be exact, as last year we changed our Bylaws changing our year end from December 31st to September 30th.

This is a very important meeting for all Credit Union members and should be a must on your calendar as at this meeting it is your only chance to tell your Committee Members and Board of Directors of any changes that you wish to have made in the operation of your Credit Union and this is your duty as a member, as the committees and the board of directors are here to serve you, and to carry out your wishes in the operation of your Credit Union, so come to your Annual Meeting and get any complaints, if you have any off your chest.

Who is entitled to come to the meeting? Anyone who is interested in Credit Union whether a member or not. In other words all who are interested in and wish to find out more of the working of Credit Union are welcome at this meeting and are urged to ask any questions that they may have.

Where is the meeting? In St. Martins Church Hall on Selkirk Avenue the time is 7:30 p.m. sharp on 18th November, on the agenda will be reports of all committees, the Ontario Credit Union League Convention the financial statement for the year, and any old and new business that may arise.

We have been very fortunate in being able to get Mr. Allan Grant of Fort William as our guest speaker for the evening. Allan is no stranger in Terrace Bay as far as Credit Union is concerned as he was the one who organized the Terrace Bay Community Credit Union away back in September 1949, as this is the first time that Allan has been back to Terrace Bay since organizational days, he is sure to see a tremendous change in our Credit Union and will certainly have a wonderful message for us. We will be seeing you all at the Annual Meeting on 18th November at St. Martin's Hall at 7:30 p.m. sharp.
