

TERRACE BAY CURLING CLUB

MENS CURLING----- PLAY FOR DIVISION-----

PLEASE READ CAREFULLY

In order to group the 30 rinks into five divisions of six rinks in each a partial round robin will be played between now and the official opening of the Recreation Centre. Division grouping will be established by total points and total wins.

Each rink will play 4 games for placement and these will not count as points for the season draw.

This year for scheduling purposes each rink will have a number which will be your rink number for the entire season. This makes scheduling easier and allows less space to be used. Learn your rink number.

Last week in the News rinks were listed at random according to their grouping by the membership committee. This was the basis for rink numbering as the first name on the list is No. 1 the second No. 2 and so on.

Here are the rink numbers and if scheduled by a shift number this follows in brackets-----

- 1 Wellings, 2 Sinkins (4), 3 Garvin, 4 Craig, 5 J. McDonald (3),
- 6 Baillie, 7 Marsh, 8 Duquette, 9 Allen, 10 Roddy (1), 11 Byers,
- 12 Anderson (2), 13 O. Olsen (4), 14 Soughton, 15 Bradley (4),
- 16 T. Olsen (1), 17 H. McLeod (4), 18 Farrow, 19 Boudreau, 20 Latour,
- 21 Ostling (1), 22 Knauff (3), 23 Campbell, 24 Dodge, 25 McInnes,
- 26 A. MacDonald (1), 27 Ross (1), 28 Haughn, 29 McColl, 30 Moore.

The partial round robin is set up by a numerical system which was arrived at before the rinks were numbered and therefore your matches in this first round are set by chance.

Here are the games for division play.

It is hoped that the divisions will be placed and the first division draw made up over the official opening weekend and posted in the curling club.

SCHEDULING - As far as possible men's curling will be scheduled Monday, Wednesday, and Friday evening and for special situations Saturday afternoon.

Saturday afternoon and evening will be reserved for social games and Sunday afternoon probably for mixed league.

In order to show how it is being done the first schedule is being printed here but from December 4th on the schedule will be posted in the curling club only. This is being done in order to make the curling rink the focal point of your curling season. Schedules will be posted as far as possible in advance.

Unless an error has been made in scheduling change of games will only be allowed on receipt of a slip signed by both skips involved requesting a change of game. Where a legitimate reason is given it is hoped that all skips will cooperate on this.

If anyone has a better system than the above it is suggested that you ask Paul Boudreau to tell you the story of the volunteer cook at the deer camp before mentioning it to the Draw Committee.

M. O. Nelson, Chairman.
