GOLFERS CLUB DANCE FRIDAY NIGHT

This Friday night (November 26th) will be a big night for somebody. That's the night of the Golfers Club Dance. And the Door Prize is a 5-DAY TRIP TO NEW YORK BY AIR FOR 2 GOOD ANYTIME, including Hotel accomodation, tickets to a Broadway show, sightseeing tours and dinner and dancing at a famous nightclub like the Latin Quarter or the Copacabana.

There will be dancing Friday night from 10:00 to 2:00 to the music of Joe Adamo's "Northern Knights". The draw will take place about 12:30 p.m. The High School Auditorium where the dance will be held will be set up cabaret style. Win or lose, everybody should have a good time. As is usual at such dances the Boy Scouts will handle the checking and soft drink concession.

All proceeds from the dance will be used to help finance the plans for a local Golf Course. In this major undertaking the support of everyone in the area is needed! That of course is the reason for running the dance with its major door prize. The amount of the proceeds will have a bearing on the number of times money raising events will have to be run.

GOLFERS CLUB DANCE FRIDAY NIGHT (Cont.)

So come on out, everybody, on Friday night --- join in the fun --- and help along a good cause. Somebody will win the New York Trip for two. Who knows who it will be? Admission tickets to the dance which includes the draw will be available at the door.

ADMINISTRATION STAFF MOVE INTO NEW OFFICE

During the week-end of November 27 and 28th the Big Move takes place. The Service Department will move all the office equipment over to the new office building and on Monday, November 29th the office staff will be in business in their new location.

And the new location is some location. The building itself is ultra modern in every respect with a southern exposure which is practically all glass.

The interior is finished, most pleasantly. Various colours have been used in the different sections of the building; together with the tile floors, glass partitions, the interior has that modern look which certainly make for most pleasant surroundings.
