

LOCAL FIGURE SKATING EXPECTED TO START IN NEAR FUTURE

Ice time has been allotted at the Recreation Centre on Tuesdays and Thursday evenings between the hours of 4:00-6:00 p.m., for the local figure skaters.

It is the hope that professional instruction will again be available this year, however, complete plans have not yet been finalized. Please watch the "News" for further developments.

As advertised in this copy of the "News" the skating show of "Stars on Ice" will be appearing at the local Recreation Centre this coming weekend. As you probably realize, considerable time and effort has been put into securing this fine show. However, additional help will be required to make this show a complete success. Any ladies wishing to volunteer some time to help press costumes and to act as dressers in the dressing rooms would be appreciated. So, if you would like to help, please phone Betty Austin at 210 Hotel Terrace, or Local 216. If you have a steam iron that you would like to lend for pressing purposes, it would also be appreciated.
