O. HARRISON'S ENTRY WINS OPENING DAY TOURNAMENT

The official opening day tournament proved quite a success with teams entered from LongLac, Marathon, Nipigon, Red Rock, Schreiber and three local teams.

Although no records were broken there were some good games rolled. Our guests from out of town enjoyed themselves and were in there fighting until the last ball was rolled. This we hope is the first of many tournaments which we hope will bring in some of the top bowlers of the district.

Saturdays qualifying rounds were won by Marathon, Nipigon, W. Day (Terrace Bay) and O. Harrison (Terrace Bay)

Sunday O. Harrison's team rolling on alleys 3 and 4 piled up a score of 2793. W. Day came in second with 2638 which was below his qualifying round. Nipigon also dropped lower with a 2609 and Marathon who topped the lot on Saturday just couldn't get going on Sunday and wound up in last position with 2385.

The following are the scores of the Harrison team.

Borsum, W.	267	186	193	646
Dalzell, D.	206	182	186	574
Roussel, A.	112	201	133	446
Keller, S.	120	170	219	509
Harrison, O.	<u>198</u>	<u>188</u>	<u>232</u>	<u>618</u>
	903	927	963	2793

The Bowling Association wish to thank John Labatt Ltd. and Terrace Bay Enterprises for their donation to the tournament.
