MIXED LEAGUE

After three weeks of play the Wanderers are still on top with the Superiors in second place $4\frac{1}{2}$ points behind. Over the period there have been some good scores turned in although some players are beginning to think the corner pins are nailed down or something. Leon says he'll grease them so they will slide better. Tuesday seemed to be a bad night for everyone in general but the Wanderers led by W. Borsums 264 rolled the 2nd high single scratch so far this season. Rockets with 14 pts. and Superiors with $13\frac{1}{2}$ pts. were the big guns Tuesday. Nice going folks. Although Rose Corrigan put together scores of 215, 208 and 180 for high triple of 603 M. L. Day scattered the maples for a 234 to take high single. C. Buck with 301, 230 and 282 for a triple of 713 took both honours this week.
