

Christmas 1954

TO ALL LONGLAC EMPLOYEES AND TERRACE BAY RESIDENTS

Once again we are at that time of the year when, with thankfulness in our hearts, we can review our past accomplishments and blessings and face the future with the boundless enthusiasms and confidence our way of life and great country allows us to enjoy.

As in other years, the past year has witnessed further forward strides in the mill, the Townsite and the lives of all of us. This has resulted in a greater measure of good living and happiness and fills us with a just pride which comes only to those people who work and live together in a spirit of harmony and cooperativeness. With a continuance of this spirit, this community cannot help but attain greater and greater goals and satisfactions in the years to come.

It is my sincere wish that 1955 will be a year of progress, happiness and worthy accomplishment for all. However, let us not deprive ourselves of our blessings by an accident in the home, on the highway or at work.

On behalf of the LongLac Pulp and Paper Company Limited, I wish all of you a very Merry Christmas and a Happy New Year.
