BOY SCOUT NEWS

Now that all the painting and repairing is finished in the scout toy shop and the toys shipped to the Lakehead to the Children's Aid Society and to St. Josephs Orphanage we would like to thank all those who donated toys to help make some poor child's Christmas a lot happier.

We would also like to thank the Girl Guides for their work in dressing our dolls and also Lakehead Freightways for their donation of shipping all our toys for us, free of charge.

As the scouts plan to make this an annual affair please keep us in mind when you are spring cleaning, etc. and give us your old toys instead of dumping them out.

So once again a very big thank you and a Merry Christmas to all
