

RECREATION FLYERChildren's Christmas Parties

The Pre-School children and Grade One party date was announced in error as being held on Tuesday, December 21, 1954. An apology is due to the children for this -- and to the Mothers who dressed the children and bundled them off to the High School to see Santa on Tuesday.

This party was held on Wednesday morning at 10:00 a.m. and a very successful one it was too.

House Deliveries

Santa's gifts for those registered children under two has begun. As Santa's helpers have time they have made deliveries. This will explain why some children received their gifts before others. However all the gifts will be delivered by Christmas eve.

Several children were unable to attend the Christmas parties due to illness. Those who could not attend and were registered may pick up their gifts at the Recreation Office.
