

A SPECIAL CHRISTMAS WISH

On behalf of all the people in Terrace Bay we would like to send a special Christmas wish to all our fellow men and women who at this Christmas are laid up with illness and are not able to celebrate the Holy Season of Christmas in their own homes with their families.

Christmas is a time when we all more than ever count our blessings. We wish the blessing of a speedy recovery and a speedy reunion to all those separated from their families at this Christmas time.

From all of us a Very Merry Christmas, and a New Year filled with Happiness.

TURKEY BONSPIEL (Cont.)

In the second event Tommy Latour along with "Scotty" Hamilton, Ev Allen and Ann Latour walked away with the second event turkeys with the chickens going to Malcolm Craigs foursome.

It should be noted that mixed rinks won both events so we should be in for some good mixed curling this year.

LADIES CURLING

All skips have been submitted a list of rink personnel for the season, and playing schedule for the first three games, to commence January 4th.

A 7-week schedule will then be drawn up and published after the rinks have been divided into two groups.
