HOUSE LEAGUE HOCKEY

In the write up of last weeks House League Hockey there was an error made, in crediting both Crockford, and Belliveau, with assists, on the goal LeBlanc of the Tigers, scored on his own net. And so, the Official Records have been changed, and Len Crockford has been rightfully credited with scoring the goal unassisted.

Early Game

The first of Wednesday night double header, saw the league leaders, in action together for the first time this season. Shift #4 and the Flyers, tied with six points each, put on an exhibition of really fine hockey; the kind of hockey that leaves you wondering how a House League All Star Team would do if they could be matched with our local North Shore Entry????

The Flyers, loaded with talent, and ably coached by Dave Desrosiers, came out on the long end of a 5-3 score. A 3-3 tie with only four minutes left in the final period made it anyones game. Injuries to two Shift#4 players marred an otherwise clean game; and weakened the #4 boys perhaps enough to make the difference.

The Flyers line of Kurylo, MacDonald and Cote sparked the Flyers, with three of the five goals, two by Kurylo and one to MacDonald. The Bottomley brother counted the other two with a goal apiece.

Godin, Stewart, and Serneski scored for Shift #4 with one goal each.

Late Game

Imports are starting to show up in the old House League. With two former juveniles in their line up, Tigers started up the win column, by beating Shift #2 by a score of 6-4. The imports were a help to the Tigers but Zwaresh and Legault were the big headache to #2 Shift.

The second period ended with a tie score of 2 all. The Shift #2 team, short handed as they were, fell apart in the final period allowing four goals and counting only two.
