TERRACE BAY NEWS

As 1955 approaches, the Editor of this paper would like to thank all those people who have contributed news items for publication during the past year, particularly the "old stand bys", who without fail make contribution each week.

Each week we receive church, library, and around the town news. Items on Bowling, Hockey, Curling, Skating, Baseball, etc., and Recreation News. We do not give "credit lines" to the people who submit news, but we would like to thank them for their fine contributions, and to wish them, and all our readers a Happy and Prosperous New Year.

Enthusiasm makes the world go round. Without its driving power nothing worth doing is ever done. It soothes the pain of poverty and breaks the boredom of wealth. Apart from it joy cannot live. It should be husbanded with zeal and spent with wisdom. To waste it is folly; to misuse it, disaster.
