FIRE PREVENTION NEWS

The Terrace Bay Fire Department wishes to thank all the citizens of Terrace Bay for their co-operation during the year of 1954 in keeping our fire losses down to almost nil. We also wish to thank you for your co-operation with your Christmas trees in your homes during the Christmas season. With such help as this we can keep our fire losses down in 1955. We have established a very fine low fire record, one of the lowest in Canada. For a town of our size, population and general location, our people are very fire conscious.

Thank you for your help in 1954.
 Terrace Bay Fire Dept.

SAFETY SLOGAN

Frank Ross, Services Department missed this week's safety slogan. Next week 10 silver dollars will be given away to 10 people who know the slogan (one apiece that is). Anybody is liable to be asked in the mill, townsite or school. In other words, until further notice, everybody is eligible every week.

LAFF A LITTLE

A young man whose father had been hanged, applied for some life insurance for himself. After the usual questions about hereditary diseases, there was one asking the cause of death of his parents. He answered this as follows:

"Mother died of pneumonia. Father was taking part in public function when the platform gave way."

A restaurant with four kittens to give away, advertised: "Four playful kittens desire positions in homes as companions. Will also do light mouse work."
