

FIGURE SKATING CLUB

TO START OPERATIONS

TUESDAY, JANUARY 11

1955

The Terrace Bay Figure Skating Club are happy to announce that they have procured the services of Mrs. Ivy Pattison as their professional for the coming season. Although a newcomer to Terrace Bay, Ivy is a well known personality in Figure Skating circles, having been the professional at the Thunder Bay Figure Skating Club at the Lakehead for the past two seasons, and we consider ourselves very fortunate in having secured her services. Ivy holds the silver medal plus two silver "bars" in school figures, also the silver medal for dancing.

Our club is open to all age groups including pre-school children, provided their parents are members of the Terrace Bay Recreation Association. It is not necessary that the children be able to skate. Bring out the wee tots at 3:30 p.m. on Tuesdays or Thursdays and we will teach them how to skate. Mrs. Pattison will be giving group instruction for pre-school children from 3:30 p.m. to 4:00 p.m. each Tuesday and Thursday. For the school children, group lessons will begin at 4:00 p.m. and will continue until 5:30 p.m.

PLEASE NOTE: Due to the fact that we have limited ice time at the rink available to us and professional instruction is only available at certain times, each child will receive one group lesson per week. Each group will consist of 10 skaters, who will be placed in groups according to ability. Each group lesson will last for 20 minutes. Once the groups have been formed, your child will receive his or her lesson at the same time each week, and the parents are urged to advise their children to be at the rink at the time prescribed for their

(Cont. on next col.)

lesson.

Each child who wishes to take figure skating group lessons must register at the Recreation Centre at the following times, and tickets will be sold at the time of registration one month in advance. Group lessons only, will be available at the cost of 50¢ for each 20 minute lesson. In other words, for the balance of January, each child registering will purchase 3 tickets at the cost of \$1.50, which will be good only during the month of January. These tickets must be presented at the time of their lesson which will be once each week on either Tuesday or Thursday, depending upon which evening their lesson falls. Ladies of the Figure Skating Club will be in attendance in the lobby of the Recreation Centre at the times listed below to take registrations and sell lesson tickets, so Hurry! Hurry! and have your child or children or yourself enrolled and purchase your lesson tickets, as unfortunately, it will be only possible for the Club to accommodate 100 members at this time. Registrations will be taken on a first come first serve basis.

All registrations must be in by Saturday, January 8th, 1955, and ladies will be in attendance to take your registration and sell lesson tickets at the following time:

Friday, Jan. 7th, between 3:00 & 5:00 p.m.
 Saturday, Jan. 8th, between 10:00 a.m. & 12:00 noon
 Saturday, Jan. 8th, between 1:00 & 4:30 p.m.

Remember: show your Recreation Membership cards when registering and purchasing lesson tickets.

Some come on all you parents, boys & girls, ladies and gentlemen, let's all join the Figure Skating Club. We have the very best of professional instruction available, a beautiful new arena and all we need is your support and perhaps we too can produce one of those fine ice shows which appeared in Terrace Bay not too long ago, sometime in the years to come.

We may not all turn out to be Barbara Ann's or Dick Button's, but you and your children will enjoy the good clean healthy exercise, and learn the graceful movements of ice skating from our very talented professional.

REMEMBER: All registrations and lesson tickets for the month of January must be made and purchased by Saturday, Jan. 8th. Let's show that we really want a successful Figure Skating Club in Terrace Bay.
