There is a change in the House League Schedule due to the fact that #1 Shift have taken their team from the League. In the future some of the players from #1 Shift will be playing with Services "Tigers" and some with #4 Structural. As this set up will mean only one House League game on Wednesday nights we are trying to arrange a second game with an outside team such as White River, Marathon, Red Rock etc. when possible. TERRACE LOSES IN OVERTIME

Terrace Bay's four game winning streak was broken in another keenly contested overtime session when Nipigon defeated the Superiors 5-4 here Sunday afternoon.

Minus their starry centre Osmar, who received a bad knee injury in the last game with Marathon, the Superiors were somewhat lacking in their usual organization, and three of the Nipigon counters were long shots from outside the defensive zone which caught Bobby on an off night. Earl Knight, back after an absence of several games, was injured again in the first period and was out for the rest of the game.

Moro led the Superiors with 2 goals, Stachiw and Bond 1 each, with assists going to Diduch, Stachiw, Bond and Hayes.

Although Nipigon's goals were 2 to Mannila, 1 each to Baxter and Kotzma, Dunville on the defence was their main threat.

NIPIGON WINS AGAIN ON TUESDAY

Tuesday's game in Nipigon lost Terrace their first-place spot in the N.S.H.L. race, by a goal, with a 6-5 score, but Terrace went through some bad moments during the first period when Nipigon piled up a five-goal lead. Superiors had the game in hand from that time on however, and Nipigon was able to score only once more, a lucky long-shot in the final period. Terrace took their goalie out in the last two minutes and put on a thrilling but ineffective show as they failed to get past Ruth who turned back shot after shot in the Nipigon nets.

Once again Moro scored twice, Stachiw and Diduch once each.

Lineups - the same for both games:

Nipigon - Goal: Ruth; Defence, Krawczyk, Dunville, Lespi, Borsk, Forwards: Mannila,
