tivities which are outside of their age groups. This is a breach of regulations and if such incidents are caught, the bearer and owner of the card are liable to suspension.

There are still several membership cards for 1955 at the Recreation Office for members other than those on payroll deduction.

For the protection of those who are members of the Recreation Association, cards are being requested to be presented for Junior, Intermediate and Senior Skating. This regulation pertains in particular to Intermediate and Senior Members. Should a member not have his card when asked by the cashier, the member will have to pay the regular admission rate to skate. In the case where a member loses his card - other than a Junior Member - he should report his loss to the Recreation Office.
