LOCAL ASSOCIATION

A very successful Local Association meeting was held at the home of Mrs. George Clifford on January 24th. It was decided to get started early on the Easter Egg and Basket sale. There will be a very pretty display this year as this is the event of the year for the financing of the Guides and Brownies.

If anyone has any Strawberry or Raspberry Baskets on hand, even one or two would they please give them to any nearby Guide or Brownie to be turned in to their Pack or Company.
