

ASSISTANT RECREATION DIRECTOR HIRED

MO Nelson, chairman of the Terrace Bay Recreation Committee announces that Mr. Ray Newton has been hired as Assistant Recreation Director.

Ray has completed two years in Arts and Science at the University of Western Ontario and in addition is a fair typist so that he will be performing our recreation office work in future.

He has had playground supervision and life guard experience and will be filling one of these jobs during the summer months.

Other experience has included working with Teen age clubs in an organizing and advisory capacity and actual coaching experience in basketball, football, track and field, baseball and boxing.

He exhibits a keen interest in young people and it is apparent that Ray should add a great deal to our recreational program in Terrace Bay. It is hoped that various recreational groups will make request for and avail themselves of the talents and services as noted above.

LADIES CURLING

Peg Wellings rink defeated B.
Jessop's rink in a closely contested
game on Wednesday night. The same
rink now competes against Schreiber here
on the 19th and 20th in the 1st part
of the Ladies Northwestern Playdowns.

LADIES BONSPIEL

The Ladies Curling Club are having their first annual Bonspiel on February 25th, 26th and 27th. There will be three events - entry fee \$8.00 per rink. The objective is to have twenty-four rinks competing.

All rink entries are to be made to B. Haughn. All entry fees go to E. Evans-Smith.

FISH AND GAME ASSOCIATION MEETING TO BE HELD FEBRUARY 17TH AT 7:00 P.M. AT THE RECREATION CENTRE MEETING ROOM.

In 1954 the Stocking Committee of the local conservation club under chairman Bob Rickard did a very good job of stocking the lakes in the surrounding district. They certainly deserve a vote of thanks, not just from the adults of this community but from the children as well. They are trying to insure good fishing for the youngsters in years to come. More interested members are needed in the club if this work is to continue. If there are not enough interested sportsmen to carry on this work the one other alternative would be to discontinue the club.

Another club undertaking is the local fish derby. The past executive feel that some new ideas are needed to put the Derby over this year and hope that there are some sportsmen in Terrace Bay who will be willing to come out and take over this project.

We have some hunting and fishing left in Northern Ontario let's protect what we have and try and built it up to what it used to be.

Remember, a few people can't possibly carry out a successful program unless they have the help and cooperation of many. Be sure to attend this meeting and bring your hunting or fishing partner with you.
