

RECREATION FLYERMinor Hockey Players

There has been a report of some petty pilfering during hockey practices among the children. Such habits do not help your Recreation Centre. Serious action will be taken to anyone found doing so.

Meeting Rooms in Recreation Centre

To non-profit recreation groups with 90% or over members of the Recreation Association, there is no charge to rent our meeting rooms for those groups.

For those non-recreation organizations, profit or non-profit, there will be a charge for use of these rooms.

Terrace Bay Ladies Hockey

A group of Terrace Bay Hockey All-Stars in the female class are trying to help our Juvenile hockey team. They are going to play an Exhibition game giving people in Terrace Bay a chance to see some real Pro hockey. There will be more spoken of this in the next issue of the Recreation Flyer.

Skate Exchange

This is just a reminder to the people in town again that in the Recreation office, we are now trying to handle a skate exchange. Our skates are not the 1955 or 1956 type, and are not in first class condition. For those people who would like to come to see if we have a pair that may help them, all we ask is that you bring an old pair to replace the pair you may take.

- - -

Sports College Information

In the Recreation office there is a large source of information dealing with many phases of Sports. This material may be borrowed if and when required.

- - -

RECREATION FLYER (Cont.)Lost and Found

Again this Friday afternoon, a lost and found table will be set up in front of the Recreation office to benefit those parents who wish to come down and look through our collection of our lost articles.

- - -

Boys Disturbing the Figure Skating Periods

There has been a report that some of the lads have been causing a disturbance during the figure skating periods. We would like to bring this matter to the attention of the parents at this time, because if it continues further action will be necessary, and these lads will be stopped from entering the arena during these periods.

PARKER GRAY NEW TECHNICAL SUPERINTENDENT

On January 30, Parker Gray from the Research Laboratory of the Kimberly-Clark Corporation in Neenah, Wisconsin, arrived in Terrace Bay to take over the position of Technical Superintendent.

Parker has been with the Company since the fall of 1951. He served for three years during the last war in the U.S. Army. After his Army service, Parker enrolled and graduated in Chemical Engineering, from the University of Maine. Following his graduation he spent a year at the University of Michigan to obtain his Masters Degree.

Parker and his wife, Alice, were born and raised in the State of Maine. They have two children, both boys, age 3-1/2 years and the other 7 months. Mr. and Mrs. Gray are presently living at Hotel Terrace.
