JUVENILE HOCKEY SATURDAY FEBRUARY 5TH

While the Superiors were winning their game in Geraldton, last Saturday our Juveniles won their own game with White River. The first period started with both teams making well organized rushes. Both goalies, L. Lamareau for White River and Terry McInnes for Terrace played exceptionally good games. The first goal was scored by Terrace near the 15 minute mark by Ron Marquis from B. Marsh. A roughing penalty was given to R. LeBlanc from Terrace and E. Dezyngel from White River. Early in the second period Terrace received two penalties but scored their second goal when back to full strength. This was scored by J. Marsh from R. Marcella. Three minutes later B. Marsh made a brilliant play from one end of the rink to the other and scored the third Terrace goal unassisted. Later in the period, with one man in the penalty box, Bob Adamo with an assist from B. Marquis made the score 4-0 for Terrace. B. Mealey from White River and B. Marsh for Terrace starred in this period with their excellent defensive play and for the attacks they lead. The last period threatened Terrace's scoring lead. D. Kenney scored the fifth goal for Terrace unassisted, but then B. Mealey's repeated attacks helped him score White River's first goal unassisted. Soon B. Morgan from R. Morgan made the score 5-2. From this point on both goalies were able to stave off all attacks thus finishing the game Terrace Bay 5, White River 2. Terry McInnes in the Terrace goal and B. Mealey for White River defence are to be commended on the excellent game they played.
